[1] *All United States Magistrate Judges in this District are certified to exercise civil jurisdiction in assigned cases and, with the consent of the parties, may also enter final orders on dispositive motions, conduct trial, and enter final judgment which may be appealed directly to the Ninth Circuit Court of Appeals (instead of to a District Judge). We strongly encourage the parties to consent to the jurisdiction of a U.S. Magistrate Judge over dispositive motions, trial, and entry of final judgment in this case by signing and filing a Consent to Jurisdiction by a United States Magistrate Judge. There are no adverse consequences for failure to file a Consent.*
